SUBJECT SPOTLIGHT: Marvellous Me

AUTUMN TERM 1 - 2026

Our exciting year of learning will begin with our half-termly topic 'Marvellous Me'. We will start by talking and introducing ourselves to our new friends and learning about the similarities and differences between us. We will be talking about our feelings and emotions and learning how we can regulate these. We will use books such as 'The Colour Monster' to explore the different emotions. Towards the end of the term we will learn about the changes to our environment during Autumn by going on an Autumn walk.

An Overview of Our Learning This Half Term:

Personal, Social and Emotional Development	We will be learning about the class routine and our whole school SPRING values alongside feelings we have and how to recognise these feelings.
Communication and Language	We will be working towards greeting our friends and teachers at school and sharing our thoughts and feelings during carpet time.
Physical Development	We will be developing our fine and gross motor skills as well as starting our class PE lessons.
Literacy	We will be discussing different texts that link to our marvellous me topic as well as starting our ELS phonics scheme.
Mathematics	We will be learning how to match, sort and compare objects.
Understanding the World	We will be sharing our likes and dislikes and talking about who is in our families.
Expressive Arts and Design	We will be creating self-portraits using a variety of different materials throughout the term.

How you can help at home:

Reading

Share a wordless book and listen to your child read their phonics book at home daily. Please remember to date, comment and sign their reading record once this has been completed.

Phonics

Practise the weekly phonic sounds and the harder to read and spell words that get sent home in your child's phonics book.
